100% success at ICT exam of 2019

62 students enrolled for 2020-2021 classes thanks to CLEC™

31 teachers trained in 2019, 33 in 2020

Ishwor Timalisina, Sotang Public Campus, Head and Nepali Teacher

I thought it's so important for the future that we have more teachers in these remote areas, and more technology as well, so students have a very secure future.

Testimonials

**Hari Basnet, Sotang Public Campus,
English Teacher and Facilitator**

Education is the third eye in this world,
without computer we cannot survive.

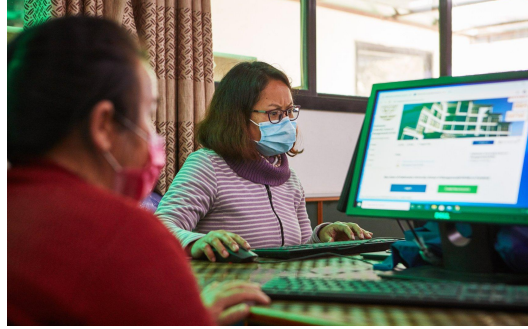

**Dhiraj Rai, Sotang Public
Campus, Student Body
President**

This new technology allows us
to have a new relationship with
our teacher, we feel now part
of the same family, and
because of that we can also
'teach' him what we know.

NEW CLECT™ IN KATHMANDU UNIVERSITY NOW INCLUDES DISTANCE LEARNING

CLECT™ + 3 YEAR PLAN:

- 7 CLEC in remote areas
- Supporting KU to create an ICT research center
- Collaborating with KU to create a learning hub for headmasters and teachers

TOWARDS our PARTNERSHIP

1. **A partnership in transparency** where **YOU** bring the contacts at the local levels, it becomes your project for your community
 - **You** obtain the local contact and pass it on
 - **You** obtain the agreement from your Board or group of friends or alumni in the US
 - **You** fundraise for the project as well as we do, and the funds will be consolidated and sent to AO NEPAL
2. **A partnership in transparency** where **WE** bring:
 - **AO NEPAL** team and our Project Coordinator
 - **We** manage to get the MoU signed between the school and AO NEPAL
 - **We** have the know-how of installing Computer Learning Environment Centers™
 - **We** finance Between 30% and 50% of total equipment cost
 - **We** assist to recruit the teachers to use CLEC™ for ICT
 - **We** organize and manage the project from the ordering of equipment to the transportation, delivery, and installation on site
 - **We** support you in the USA with presentations to your community, and offer a special place on our website as well

ENTERING INTO A PARTNERSHIP WITH AO

OUR STEP #5: FUNDS ARE CONSOLIDATED to AO US, Sent to AO Nepal for PROJECT execution by AO Nepal

AO brings CLEC concept, design, service and equipment + coordination of ordering and Installation one month + project follow up to ensure sustainability of project LT.

YOUR STEP #1: CHOOSE a REMOTE LOCATION, COMMUNITY and HIGH SCHOOL

YOUR STEP #2: CONNECT WITH MUNICIPALITY & HIGH SCHOOL

OUR STEP #3: Possible "Scouting" trip for AO Nepa and Preparing Memorandum of Understanding

OUR STEP #4: DEFINING THE FUNDRAISING PLAN and Deadlines that will go into STATEMENT OF WORK for Project

- #1 PREPARE WITH AO US a FUNDRAISING PLAN and MoU based on project scope**
- #2 Define responsibilities, timelines, budget that includes equipments, transportation, installation, teachers recruitment and schedules, etc.**

CHECKLIST EXPLAINING MAIN STEPS USED BY AO US to be used by US NEPALI ASSOCIATION

1. STEP 1 **CHOOSE**: the Location, Rural Community, High School or remote college campus
2. STEP 2 **CONNECT** with the Municipality, Mayor, and School Principal, then School management committee
→ you also ESTABLISH CONNECTIONS WITH ALUMNI OR GROUP OF DONORS
3. STEP 3: **AO NEPAL** organizes scouting trip to confirm project feasibility and get Memorandum of Understanding between ALL PARTIES started
4. STEP 4: **US NEPALI ASSOCIATION and AO US prepare separate fundraising plans. Formal MoU is signed between ALL Parties.**
5. STEP 5: ONCE MOU IS SIGNED, we follow the STATEMENT OF WORK that indicates the milestones of the project
→ EACH PARTY FUNDRAISE, AND AFTER FUNDS ARE RAISED, THEY ARE CONSOLIDATED through AO US and SENT TO AO NEPAL, then AO NEPAL executes PROJECT on TIME, on BUDGET.

We hope you will support our dream,
and if your heart calls, join us.

धन्यवाद!

-Ed and the AO Team
